out of barns.

The Brattleboro listers expect to inerease the list of taxable property about \$200,000 this year. The largest single increase is that of the Hooker, Corser & Mitchell company from \$5,000 to \$78, Nature intended. Destroy the cause of a disclosure made in a suit whereby it was learned that the net earnings of the company wers more than 40 per cent.

Nature intended. Destroy the cause you remove the effect, Kill the dandruff form with Herpicide. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit. Mich.

The Bennington battle monument has been wired for electric lights and will be lighted for the first time today. Hitherto in order to make the ascent Postively at E. A. Drows, D. F. Davis, Hitherto in order to make the ascent C. H. Kendrick & Co., The Red Cross of the structure it was necessary to use lanterns. Over 9,000 signed the visitors' register last year and it is expected that more than that number will appreciate the new method of illumination this season.

Charles Dumas of Shoreham, Rome, May 18 .- Andrew Carnegie was received in audience by King Victor Em-manuel yesterday. He was presented by Senator Cappellini of the university of Bologna, to which institution his majes-ty sent the model of a rare prehistoric received in audience by King Victor Emmanuel yesterday. He was presented by ty sent the model of a rare prehistoric animal recently presented to him by Mr. Carnegie. In the course of his conversation the king expressed his appreMiddlebury Friday morning to see an ciation of this gift and showed great undertaker and when he arrived there interest in and knowledge of Mr. Carne-received news by telephone that his gie's beneficences. It was the intention little boy had died after Mr. Dumas of the duke of Aosta also to receive Mr. left home. Carnegie, but this was impossible, owing to the illness of the duke.

Says Wife Has Not Eloped.

Andrew Stewart of Hardwick takes exceptions to the statement, circulated recently, which implied that his wife had cloped with William C. George. Mr. stewart says that his wife has for some ime wished to visit her old home in Scotland and thus she sailed the next day after leaving Hardwick from Boston, and undoubtedly by this time has reached her destination.

Death of Aged Island Pond Man.

Clinton S. Blake, aged 92 years, four months, died suddenly May 2 at the home of his son, A. L. Blake of Island Pond, with whom he had made his home for the way are years. Mr. Blake for the past seven years. Mr. Blake had been a resident of Island Pond for 82 years. He was born in Bloomfield, Christmas day, 1816. Nearly 40 years ago he moved on to the farm which joins the David Archer farm, where he lived

FRENCH STRIKE POLITICAL.

Revolutionists. Paris, May 18 .- All that now remains

Member Consolidated Stock of the strike of the postal employes of the government is political agitation on the part of the revolutionary proletariat. The leaders of the strike are now openly affiliated with these are now There have been twenty-four additional fiamissals from the service.

At a meeting last night three thous-and postal employes listened to violent harangues from the labor leaders, who prophesied that grave events would happen today in the direction of action by the outside unions. A resolution was adopted that the struggle be continued to a finish. Two other meetings under the auspices of organized union Write for Market Letter on Bosion Coppers. syndicates were characterized by revolutionary speeches, in which it was de-clared that "the workmen's 1793 is at hand." M. Bataud, the electricians' leader, cycked enthusiasm when he re-commended the overthrow of the existng regime. One of the speakers, how-B. C. PRATT & COMPANY ver, admitted that many unions were not yet ready to strike, and the assemblies broke up after adopting resolutions proclaiming the solidarity of the postal employes. The desperation of the strike leaders is evidenced by the fact that destructive measures are now being carried out, following threats recently made. A gang in an automobile yesterday cut thirty of the chief outgoing cables at various points on the outskirts of Paris. The police caught one of the men red-handed, but the others made their escape. There have been several cases of wire-cutting in the scoreal cases of wire-cutting in the provinces. Oil and other fluids have provinces. Oil and other fluids have been specification on the provinces. Oil and other fluids have been specification on the provinces. Oil and other fluids have been specification on the provinces. CLEANLY WOMAN.

Erroneously Thinks by Scouring Her Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp, which re-moves the dandruff scales, she is curing the dandruff. She may wash her scalp every day, and yet have dandruff her life long, accompanied by falling hair, too. The only way in the world to cure dandruff is to kill the dandruff germ. and there is no hair preparation that will do that but Newbro's Herpicide. Harpi-cide by killing the dandruff germ, leaves the hair free to grow as healthy

FISH COMMISSIONERS MEET.

The American-British Agreement is Complete,

Washington, May 18 .- There will be a meeting at the state department on May 28 of the international commission with his family returned to that town appointed under the convention between last week after a few years' absence in the United States and Great Britain providing for the adoption of uniform and effective measures for the protection rpeservation and propagation of the food fishes in the waters contiguous to the United States and Canada. The commissioners have prepared a set of reg-ulations governing close seasons, limi-tations regarding the character and size of nets and other apparatus used in fishing, a uniform system of registry and other provisions deemed necessary for the protection and preservation of the fisheries. David Starr Jordan is the American commissioner.
